FOR IMMEDIATE RELEASE

## *VOTER REGISTRATION MAILING SENT BY VOTER PARTICIPATION CENTER*

Several thousand Pima County Voters have received a mailing recently from an organization called the **Voter Participation Center (VPC)** informing Pima County Citizens that they are not currently registered to vote or that their voter registration is not current.

This mailing was not sent by the Pima County Recorder's Office, the Recorder was not contacted by this group and the Pima County Recorder's office did not provide any voter registration information or addresses to the Voter Participation Center for this mailing. The Pima County Recorder's Office is not involved in any manner with this mailing.

Pima County Recorder F. Ann Rodriguez stated "The Recorder's Office has been informed that the VPC group receives their initial list from commercial mail vendors, but the information does not accurately reflect the voter registration records in Pima County. We encourage citizen participation in all elections but we always caution voters from responding to requests for information from or providing information to groups or individuals that you do not know."

The Recorder's Office has no legal authority to regulate or control this type of mailing to the public.

If you received this mailing and you are a registered voter, you may contact the Voter Participation Center directly to remove yourself from their mailing list. Their phone number is **(202) 659-9570**.
