Record Voter Registration Numbers

Tuesday, September 25, 2018 was National Voter Registration Day but at the Pima County Recorder's Office we're calling it National Voter Registration Week! Our office has been busy processing record numbers of new voter registrations and registration updates. This week alone the Pima County Recorder's Office has processed over **2,800** new registrations and almost **5,000** updates.

Per F. Ann Rodriguez, Pima County Recorder, "With all the media coverage associated with National Voter Registration Day, many voters are taking an active role in making sure their information is current and up to date. This is exciting to see." The staff have been working hard to assure the Voter Registration Database is accurate and up to date for the upcoming 2018-General Election. Ms. Rodriguez would like to remind everyone that the voter registration deadline is **Tuesday, October 9th** and the Ballot by Mail ballots will be mailed out on Wednesday, October 10, 2018.

If voters have any questions regarding how to register to vote or want to check their current voter registration now's the time. For more information visit our website at www.recorder.pima.gov or call our office at 520-724-4330. We'll be glad to answer any questions.

The next step for all voters is to make sure you vote either by mail, at an early voting location or at your assigned polling location on Election Day!!! We must all do our civic duty and VOTE!
