Return Your Mailed Ballot

F. Ann Rodriguez, Pima County Recorder wants to remind everyone to return their mailed ballots. She states, “Be part of the solution”. Pima County has mailed over 500,000 ballots. Over 80% of the voters of Pima County have requested to vote early. As of Oct. 29, the Pima County Recorder’s Office has received over 350,000 voted ballots from voters. “We have had record numbers of returns but there are still a lot of mailed ballots that need to be returned,” Rodriguez said.

The recommended deadline to mail back ballots has passed but voters have many other options.

- **Early Voting sites** are peppered across Pima County. Voters can drop off their voted ballot at any of these locations.
- **Emergency Voting** locations are open Saturday, October 31st and Monday, November 2nd. Voters can also drop off their vote by mail ballots at any of these locations.
- **Any Polling Location** on Tuesday, November 3rd Election Day will take voted mailed ballots.
- **Recorder’s Offices** on Tuesday, November 3rd Election Day will also accept voted ballots.

REMEMBER, by Arizona State Statute, voted mailed ballots must be received **no later** than 7:00 p.m. on Tuesday, November 3rd Election Day to be counted.

Voters who have received a ballot in the mail are encouraged to vote their mailed ballot. If a ballot has been sent to a voter and the voter chooses to vote in-person on Election Day, the voter will be voting a Provisional Ballot. Provisional Ballots take up to 10 days AFTER Election Day to be verified and counted. Again, “Be part of the solution”.
